FRIENDS & FAMILY CANDIDATES

**Our Board & leadership teams have personally interviewed nearly every person on your ballot.** We evaluate them impartially against our core principles of limited government, personal & fiscal responsibility, rule of law, & national sovereignty. Our efforts are funded 100% by individual donors, which means candidates cannot buy our support as they do most other lists. After we interview the candidates, our team conducts a straw poll, & we share those winners with you as a starting place for your own research. At True Texas Project, we will never tell you how to vote, but we'll do all we can to help you make your own responsible decisions!

*The choices provided here are for contested races only, & they are NOT endorsements unless specifically indicated. We all know that often we must simply pick the lesser of all evils. We all must choose someone, & this is who it is for us.*
